#### **APPROVAL OF SURPLUS MONEY INVESTMENT FUND REQUESTS**

Mr. Spittler presented one request this month from the California Institute for Regenerative Medicine for the Stem Cell Research and Cures Fund, Dolby Family Foundation Grant proceeds (Donations) (Fund Number 6047101). Mr. Spittler emphasized that this request was for the Dolby Family Foundation Grant proceeds subaccount of the Stem Cell Research and Cures Fund, and not the overall fund. The effect of this action, if approved, would be to credit the interest earned on this subaccount to this fund. Mr. Spittler noted that the approval of the donation subaccount part of this fund would cover the current donation and all future donations and that this subaccount was set up due to the need to keep donations separate from the proceeds of future bond sales. Mr. Spittler said that staff had reviewed this request and recommended its approval. Anne Sheehan then asked if other donations coming in would be credited to this particular subaccount and Mr. Spittler said that they would.

The Board accepted the staff's recommendations and approved the request, 3-0.
